Caribbean charm shines in the Bahamian capital, where you're never more than a few steps away from rhythmic percussions, appetizing flavours, white-sand beaches, and some of the clearest waters in the world. This picture-perfect paradise was once a pirate's haven— and you can explore its colourful past of buccaneers, blockade-runners and bootleggers along historical streets and at the three colonial fortresses that line the shores. If you're looking for a more hands-on maritime adventure, look no further.

Cruise to Nassau and swim with stingrays, dive with dolphins, or spot colourful coral on a glass-bottom boat. And just across the bridge is beautiful Paradise Island, home to world-famous luxury hotels and resorts. Spend the day at the famous Atlantis and splash your way through its expansive water park, grab a piña colada at the Marina Village, and spot the hammerhead sharks in Predator Lagoon.
